## 2017 Legislative Breakfasts scheduled for April - May

### Join LeadingAge PA's Government Affairs team for one of our upcoming breakfasts at a location near you!

Come meet your elected officials to discuss the importance of the services your facility provides and how it benefits the seniors in your community. This is an excellent opportunity for members to connect with their representatives in an informal, social setting in order to build and foster these important relationships.

**PLAN NOW TO ATTEND!** Please choose from the dates and locations below listed by geographic area and send your RSVP (with name, organization, and the Legislative Breakfast you will be attending) to Tracy Evens at [tracy@leadingagepa.org](mailto:tracy@leadingagepa.org). Legislators from each of the counties listed below will be invited to attend.
